

I can identify/analyze/evaluate problem and solution.

*Answer these questions based on a story or history or current event.*

- ❖ *What is the problem?*  
How important is it to people?  
How did it start?
- ❖ *How do people solve it?*  
Is that the best choice?  
What else could they do?
- ❖ *How is this problem like one you know from reading or your own experience?*
