During reading, I was wondering...

I wonder why does mum Olga keep calling Ella like, if she dose not want Ella to go to the ball.

I kept reading and I found the answer to my questions.

The reason why mum Olga keeps calling Ella, is she dose not want her to meet some one and get married, Cause Mum Olga does not look at Ella like she was her daughter, she looks at her more like a servant. For example, Mum Olga told Ella to fix Olive and Hattie and her, some times. Since she has the curse of obedience she has to do it anyway. So if she gets married she is not going to live in the house, and Mum Olga has to do the housework!
