

### Illustration Planner

CCSSW2 I can plan and create an illustration to communicate an idea.

Directions: Use this page to plan and sketch a drawing. Your drawing will show an idea you learned about a topic.

What is the idea?

---

What will you include in your drawing to show it? This is like including information in a paragraph to help someone understand the main idea of your paragraph.

What I Will Include	Why—How It Will Help People See My Idea

Make a sketch here. Then draw it carefully on a bigger sheet of paper and write a caption that tells how your picture shows the idea.
