

Math Sequence

Common Core Math Practice Standard 1: *Make sense of problems and solve them persistently.*

1. What are you going to figure out?	
2. How will you solve the problem?	
3. What information will you use?	

4. Solve it here. If you need more space use the back of the page.

5. What is your answer?	
6. How did you get it? Tell what you did.	
7. Tell why you solved it <u>this way.</u>
