

## **Persuasive Speech Writer: A Better City**

CCSSW1. Write arguments to support claims in an analysis of substantive topics or texts using valid reasoning and relevant and sufficient evidence.

A speech can persuade people.

Write a speech about one way to make the city a better place.

First, read or talk about the city. Decide what is a good way to make it a better place.

### **My Improvement:**

---

---

*Then list information that will help you support your idea.*

*Start listing your information here.*

*Then on the next page add more information when you outline your speech.*

### **How it will help the city**
