

Prose Constructed Response Organizer: NONFICTION—Compare three sources on the same situation (CCSSR9)

*Note to teachers—this is a **fifth grade** adaptable PCR. You might start with two texts or one text and one video and then move to three sources.*

Task: Compare how two articles and a video describe the same situation. Support your essay with information from all three sources.

Start by listing important ideas and information in each of the three sources.

Source 1	Source 2	Source 3

Put 3 next to ideas and information that is in all three.

Put 2 next to ideas and information that is in two of the three.

List one way each of the sources is different in the way it describes the situation.
