

Prose Constructed Response Organizer: NONFICTION—Integrate information from 3 sources (CCSSR7)

*Note to teachers—this is a **fourth grade adaptable PCR**. You might start with two texts or two texts and one video and then move to three sources.*

Task: Integrate information and ideas from **two text sources and one video about the same situation**. Using information from the articles and the video, describe the problems faced and responses. Use evidence from the articles and the video to support your answer. Use these charts to prepare to write your response.
