

Collect Evidence to Support a Theme

CCSSR2. Determine **central ideas or themes** of a text and analyze their development; **summarize** the key supporting details and ideas.

What is **the theme** the writer or artist communicates? A theme is a way of thinking about a topic, story, or situation. *Write the theme in the frame.*

Give information or examples that would help someone understand the theme. *List it in the supporting rectangles.*

Choose important information that clearly supports the theme.
